Eisiger Zapfenkranz

Instructions No. 1021

This beautifully rustic crown of cones offers you the perfect basis for an extraordinary
Door wreath. Held in frosty tones, the wreath with a Tealight holders gets a wintery dress.
Self-folded Fröbel stars in various sizes crown the design and give it an incomparable appearance.

And it is as simple as that:

Fröbelstern
Cut from the Vellum paper 1cm and 1.5 cm wide strips and use the cutting machine. Stick two together with adhesive film and form them into Froebel stars. Make as many as you like.
If cutting out the stars is too complicated for you, you can also order ready-cut Fröbelstern-Paper strips in different colours in our shop.

Tealight holders
Prime the base in Ice blue and let it dry
Cut out the hole in the middle with a scalpel and glue a big frosty star into the hole with its tip Fill the base with decorative snow, leaving the groove free and let it dry well Border the edge of the tealight holder at Glass for tea lights with glitter liner and let it dry Stick the glass to the base

Put the loop tape into loops, tie them together with wire and leave the ends a little longer. Glue the Glass for tea lights into the wreath.
Attach a piece Ribbon for the suspension to the wreath
Decorate it with the ribbons and Fröbel stars.
