# 3. winner of the Advent wreath craft competition

**Instructions No. 1894**

Difficulty: Beginner

Working time: 1 hour

Our **3rd winner of the Christmas craft competition** has **created** a beautiful wreath **in shades of green.** Such an advent wreath is a great eye-catcher on the table or the chest of drawers. With a few steps you can also create a stylish wreath. We show you how easy it is.

## It's that simple:

Take a straw wreath as a base and wrap it with pine, fir or other flexible branches. Another possibility is to use an already finished fir wreath or rattan wreath. Then place 4 and Kandelaar put the candles in the grommets

Now you can decorate the wreath as you wish. For this wreath waxed cones Christmas Balls and fir trees were glued onto the wreath with hot glue. Finally, the wreath is wrapped with a LED light chain and Cords decorated with

different ribbons

According to this procedure every Advent wreath can be produced in your desired colour. You can decorate it with any kind of decorative material. How about, for example, if you Decorative snow embellish your wreath?
