Anleitung für das Malen und Pailletten stecken von Osterhase + Co

Instructions No. 1066

Difficulty: Advanced

In this handicraft instruction we show you how to paint styrofoam figures and stick Sequins . This handicraft fun is pleasant and relaxing, and leads to particularly pretty Easter decorations!

And so it goes:

Prime the figures with Handicraft paint:. The rabbit in Ivory, the chick in Yellow and on the chest with a mixture of the colors Yellow and Ivory as well as the eggs in blue, yellow, pink and green.

Painting the rabbit:
With Pink the overalls of the rabbit are painted on. With a fine brush, the inner surfaces of the ears and the snub nose are first painted with a mixture of the colours Ivory, Pink and to paint Skin Tones . Afterwards the eyes, the black nose, stubble, the fine details of the muzzle as well as fine contours are painted on as edges of the dungarees. After drying, teeth and eyes are accentuated with the colour Ivory .

Painting of the chick:
The beak is painted with a fine brush with a mixture of Yellow and some Pink painted. Then eyes and beak are accentuated with black lines and dots. Now the eggshell is simply painted on the lower part of the chick and highlighted by a fine black painted outline. The Polystyrene-eggs are already ready for decoration due to the coloured primer.

Decorative Sequins stick

Sequins are simply pulled onto Pin and then inserted into the polystyrene moulds.
By using a sequin for the middle of the flower, you can easily create a beautiful flower. Around this centre, further Sequins are placed (petals). Further Sequins indicate the wings of the chick, decorate the dungarees or are simply put as a pattern on the Easter eggs

Can I fix Decorative ribbons on styrofoam eggs?
Narrow Satin ribbon is particularly well suited for decorating the colorful Polystyrene eggs. Simply place the Ribbon around the egg, cut it to size and fix it with a Pin .
