As soon as the casting compound has hardened (approx. 30 minutes waiting time) the self-cast tag can be removed from the mould. Only with black **Fineliners** with your name and date of birth and use a white Satin ribbon as closure for the invitation card.

Stir the fine white casting compound [according to the product instructions](#). If you would like a delicate pink star, simply add some red [Colour Concentrate](#) into the mixture, stir the paint thoroughly. For light blue color results, use something blue [Colour Concentrate](#) use.

Tip: In our [basic casting design instructions](#) we have described in detail how ceramic casting compounds can be coloured.
