Candles for New Year's Eve

Instructions No. 2080

Difficulty: Beginner

Working time: 30 Minutes

The New Year's Eve celebration is the crowning finale of the year. Together with friends and family, delicious food is served, celebrated and toasts are served at midnight. To make the evening a complete success, the right decoration is essential. These noble candles are a great decoration for the table and are also quickly made.

Cut a pig out of the decorating wax plate and place it on the candle.

Paint on lettering and motifs with **candle liners**. We have decided here for Metallic Gold and Gold-Glitter decided. You are also free to choose the motifs and lettering. In our decoration example we have painted fireworks, the Date 2021 and the saying "365 new Adventures"

Dab the **glass coasters** with **Maya Stardust** and place the finished **candles** on them after drying.
