Christmas candles with nutcracker design

Instructions No. 2909

Difficulty: Beginner

Working time: 2 Hours

Individual candle design and napkin technique, they harmonise perfectly! These Christmas candles with decorative nutcrackers are a good example of how easy it is to decorate candles with napkins.

Select motifs for your candles from napkin and cut them out. Remove the bottom layers of paper from the cut-out motifs so that only the top printed layer of the napkin is still in front of you.

Coat the candle with candle potch, place the napkin motif over the entire surface and coat this with candle potch using a brush. By using candle potch to decorate your candles, you ensure that the candle burns safely.

Interesting facts about candle potch

This medium is an adhesive that has been specially developed for napkin technique on candles. It dries to a silky matt finish. After application, the glue needs approx. 24 hours to dry, but is then flame-retardant. Have fun designing your candles!
