Deko im Erdbeeren-Look

Instructions No. 327
Working time: 30 Minutes

Sweet, red strawberries inspired us to create this beautiful, fresh decoration. Whether on wood, enamel or glass, whether purely decorative or practical - an absolute must have in spring

Here's **how it works**

The dot patterns, checks and small mini strips of this decoration can be cut out wonderfully from Paper or from fabric. Make strips of these patterns, spray them with adhesive spray and stick them flat on your vessels. Stick on the checkered ribbon and green narrow Satin ribbon with double-sided Adhesive tape .

Cut out the round and oval labels from Paper , stick them around the back with double-sided Ribbon frill tape. Alternatively, you can use Wooden discs instead of Paper

For these tags, paint little hearts red VBS Pearl-Pen paint yellow dots on them, so they look like little mini strawberries.

The **decorative sign** is primed in red colour. While the paint dries, print the templates for the strawberry stalk with leaves and transfer them to Felt , cut them out. With the Pearl Paint pen in green contours as fine veins on Felt , the decorative sign gets the typical strawberry character through yellow curls. After drying, fix the leaves with hot glue on the strawberry hearts.

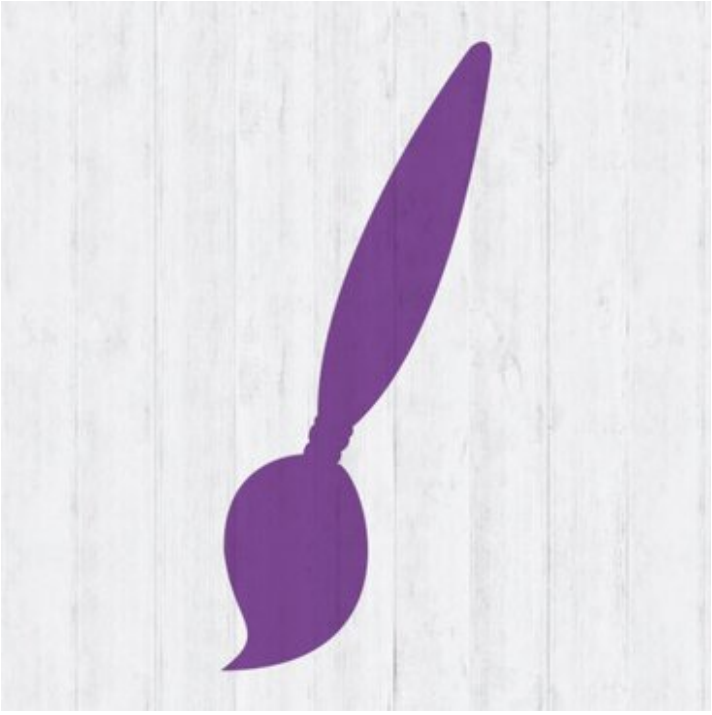

Finish

Stick the small strawberries on the tags, decorate them with bows from Satin ribbon and place a dot in the middle of the bows Pearl-Put Pen. Fix a plug wire on the back with hot glue and cover it with an oval or circle from Felt . Fix the remaining ornaments to the vessels.

This idea is timelessly beautiful!
