Easter bunny clip with coffee mug

Instructions No. 1414

Difficulty: Beginner

This Easter table decoration will certainly make everyone happy: The Easter bunny clasps **are** great eye-catchers **on** the Easter table! They are simply clipped onto colourful, **good-humoured coffee cups** that you have painted yourself.

Make funny bunny clips

Download the design template and transfer the rabbits to **Craft cardboard sheet**. The rabbit head is cut out of brown Paper, the mouth part of white Craft cardboard sheet and the bow of red Paper . For the two rabbit teeth simply cut two small white rectangles.

The lower edge of the rabbit head is now **Handicraft glue** fixed on the upper edge of the loop. Then the mouth area is glued on.

In the next step, paint with a black **Fineliners** the rabbits inner ears, the eyes, the nose and the moustache hair on. Paint the eyes with a white pencil. Black contours give the red ribbon the plastic look. If you are unsure where to draw the lines when painting, use the contours of the design template as a guide.

Finally only put the paper bunny, the bow and the little teeth on a **Clothespin** stick.

How to label porcelain cups

Before painting, clean the coffee mug so that the painting surface is absolutely free of grease and dust

Now use porcelain painting pens to mark the mug with Happy Easter, Happy Easter or a very personal message. You are welcome to use the lettering of the motif template as an aid by transferring it onto the porcelain using yellow carbon paper (or graphite paper) and colouring it in.
