Easter moss wreath

Instructions No. 3005

Difficulty: Beginner

Working time: 2 Hours

Doesn't this moss wreath look fabulous? You too can make a great moss wreath like this in just a few simple steps. Find out how to do it here!

Use the **jute ribbon** to make a bow and a hanging loop for the **large** wreath. You can fix the bow with **hot glue** and/or **pins** fix it in place. Then cut off the **ranunculus** just below the flowers and leaves. Now stick them into the wreaths.

Glue the **polystyrene eggs** and then stick or glue the **feathers** them in place. Now you need to glue only the **carrots** in place and then stick a **wind light** place**a small** wreath in the middle from .
