Embroidery Ring with Tulle & Dried Flowers

Instructions No. 2244

Difficulty: Beginner

Working time: 2 Hours

This charming **embroidery frame** is covered with **tulle** and decorated with delicate flowers - what an eye-catcher. This frame also makes a great homemade **gift idea**.

This is how the beautiful embroidery rings are designed:

Stretch the decorative **tulle** into the **frames**. Fix it at the back with **craft glue**. Cut off the overhanging tulle. Place the pressed **flowers** and **leaves** as desired on the tulle and fix them with craft glue.

You can also form **beautiful pictures** and even **letters** with the dried flowers. To do this, print out a letter of your choice and cut it out. Now place the letter under the tulle and fix it with a little masking tape. Now place the shape

with flowers and leaves on the embroidery ring and fix it with craft glue. A great decorative element or a beautiful personal **gift for birth, christening or birthday** is ready.
