Funny frog lamp made of acrylic balls

Instructions No. 369

Difficulty: Advanced

Working time: 45 Minutes

Makes you want to be a kid again: The happy frog sits on a big blossom and is a great LED-lighting night light for every child's room because of its gentle nature. With a hot glue gun the individual elements are firmly mounted.

Here's how it's done:

The **Acrylic forms** share. With the Paint sponge into the little balls white **Handicraft paint** into the big ball and the medallion may green Handicraft paint. After drying, put all parts back together again.

Melt **two** holes in the medallion with the metal tip of the **hot glue gun** and deburr with the side cutter. Glue the small balls with the suspensions into the medallion. Melt a hole in the bottom of the medallion, after deburring
glue it at a slight angle to the suspension of the middle ball.

Apply the **Crystal gel** to the drilled half of the 16 cm ball with a Spatula and leave to dry overnight. Afterwards, attach the separating disk underneath.

Now melt a large area of the large Acrylic-hemisphere and fix the mounted elements on it. Please make sure that the hole points to the back

Transfer and cut out the templates for hands, feet (2 x each) and flower on Felt . Cut the figure wire, color it with the Paint sponge may green and let it dry.

For the arms and legs melt holes in the middle ball with the hot glue gun, deburr and glue the figure wire. Glue the hands and feet, fix the big ball with the cutting disk

and loops from dotted Ribbon on the felt flower. Finally glue the Wobbly eyes and put a LED light chain under the big hemisphere.
