Instructions for a homemade wedding cake

Instructions No. 509

Make a noble wedding cake for your wedding couple for the celebration! It offers a lot of space inside for beautiful gifts and happy messages.

And that's it

Paint the wedding cake with Hobby VBSColor in Handicraft paint and Pink white. Stick self-adhesive white lace borders onto the pink painted cake rings.

Now the cake can be decorated further according to personal taste
Make from the Satin ribbon small bows or **decorate** with ready made small bows, with small satin florets, possibly with pearl strands and more. Decorate the cake with small white dots of the Pearl Pens.

As the highlight of the cake finally a wedding couple put **on top of** the cake. - done!
