Instructions: Pencil monster for the desk

Instructions No. 874

This pen monster will loosen up your desk. Whether at school, at work or for everyday life. The box is quickly finished and looks scary beautiful. The monster is always ready for all your stationery and puts you in a good mood.

Here's how it works:

First of all, unscrew the metal plate to make it easier to paint the drawer.

Paint the box and the drawer may green on the outside and black on the inside.

After the paint has dried, cut out the-Paper eyes from the Décopatch and stick them onto the box with the patch glue.

Paint with the Permanent Marker Open your mouth and nose, your teeth are painted white.

After everything is dry, seal the complete box including the drawer with the patch varnish

Finally, screw the metal plate back on.
