Koffer für Nähzubehör im Landhaus-Stil

Instructions No. 1016

This case is indispensable for every handwork fan. You cannot arrange your yarn reels more clearly! The robust wood of the case also offers you many surfaces to design it individually. With a little colour and a Motif straw silk you can create a charming picture inside the lid.

And it is as simple as that:

Prime the case in white and let it dry. Cut out the desired motifs from Straw silk paper and stick them onto the inside of the case lid using Napkin varnish . Use the silicone stamp to stamp squiggles around the motifs. To accentuate the edges of the case, wipe lightly over the edges with Ink Pads .
