Difficulty: Beginner

Working time: 2 Hours

These cute gnomes look beautiful and are an eye-catcher in your Christmas decoration. They can be made with just a few simple steps and materials. Knot them right away and make your own Secret Santa family.

This is how the cute pixies are made:

Cut the **macramé yarn** and attach it to the **rings**. To do this, it is best to double the yarn, put the loop around the ring and then pull the ends of the ribbon through the loop. Now comb the ends of the ribbon open and cut the beards into shape as desired.

Pull the **caps** over the ring and glue the two sides of the cap with hot glue.

Then glue the **nose** to the cap and the yarn. Now glue a **pompom** to the cap and thread a needle through it to hang it up. Your elves are ready!
