The binding of this sturdy book is **Napkin technique** and nautical details decorated and much too bad for the bookshelf. Inside there are many white pages waiting to be filled with your favourite recipes or holiday memories.

## And this is how it works:

**Prime the cover of the book ivory and wipe Ink Pads lightly over the front and back with both when dry.** Emphasize the edges a bit more. Now tear out the Napkin area with the writing and stick **the printed napkin layer on the cover**.

Then tear **out two strips** from the **paper pad (approx.** 6 x 19 cm and 8 x 4 cm) and cut two pieces of pluck (approx. 8 x 8 cm and 10 x 4 cm). **Remove a few threads from the edges and** stamp them with blue designs. Then glue on with UHU Contact power adhesive and 3D pads

Afterwards you stamp the book according to your taste. **Glue the smaller strip of pluck onto a matching Paper strips, one and Velcro strap stick it as a closure on the front and back of the book.**
As a special eye-catcher you now dye a few small shells with stamping ink, drill **small holes into them and thread** them on a thread from the plucking. **Fasten the ends in the book with a strip of adhesive tape, the shells with some hot glue.** Now decorate with single mussels and starfish and **your beautiful maritime cookbook is ready**.
