Miniature world ski vacation

Instructions No. 2887

Difficulty: Beginner

Working time: 5 Hours

Create your own miniature ski vacation dream. In this step-by-step guide, we explain how you can create an enchanting miniature world that captures the magic and joy of a skiing vacation.

First cut the **polystyrene sheet** is cut to the desired size with a cutter knife. In our example, we cut 15 cm off the short side and glued it to the larger panel. Coat the surface with **decorative snow**.

Paint the inside of the **house** with **white handicraft paint**. Once the paint has dried, paint the floor with **gray-brown handicraft paint**. Coat the roof with **decorative snow**.

Take some **wooden sticks** and place them in a window. Fix everything with **handicraft glue**.
Place the finished window on the **lamp foil**trace the outline and then cut out the foil. Now place the film on the **napkin** and trace the outline again. Cut out the **napkin motif**, use only the top, printed layer of the napkin and stick

it onto the **window** with **napkin varnish** onto the **lamp foil**. Once the paint has dried, stick the film behind the window. Now you can stick the finished window into the house.

Cut two **wide wooden spatulas** with scissors and glue them together to form a cloakroom rails . Once dry, you can paint it with **craft paints**. Then cut the pieces **of craft wood** to length and glue them together as coat hooks. Attach the **scarf** and **hat** to them.

Cut out **felt** cut out a circle that will later serve as a round rug. Using the back of the paintbrush and **gray handicraft paint**, dab dots around the edge. Then glue the rug into the house.

Paint the **tabletop** with **handicraft paint** and stick it onto the carpet once it has dried.

Cut off approx. 1 meter of the **wool** and wrap a mini ball of wool around it. You can fix the end with **handicraft glue** to fix it. Cut a piece **of craft wood** through the middle and cut one end to a point so that it **"knitting needles"** to form a mini ball. Wrap some wool around it and place it on the **table** together with the ball.

Paint the **rocking chair** with **handicraft paint** and leave everything to dry. In the meantime, cut out **felt** a rectangle, fold it up and hang it over the back of the chair as a **wool blanket**. Also place a **scarf** over the backrest.

Paint the **seats of the sledges** with **handicraft paint** and place them in the snow once they have dried. Finally, arrange some **fir trees** in the snow.
