Oriental Tea Lights with Leaf Metal

Instructions No. 664

Difficulty: Beginner

Working time: 15 Minutes

Like a dream out of 1001 nights , these tea lights designed with Straw silk paper shine. Additional effects are provided by Leaf metal and gemstones.

Here's **how it works**

Remove the **protective foil** from the lantern foils and stick it flat on the different straw silk sheets**.** Pay attention to the colour gradients. Then cut out the elements with a scalpel or scissors. Now stick the tape-Ribbon along the lower edge and join two elements around each Glass for tea lights other.

Glue the **stencils** onto the tea lights created in this way and poke Gold leaf priming milk on them. Important: Clean the stencils immediately afterwards under running water. When the stencils have dried Gold leaf priming milk after about 30 minutes, place the **Leaf metal** and rub off excess material with one until Bristle brushes the stencilled motifs are clearly visible. You gild the tea light glasses in the same way over the entire surface.

Finally, use the gemstone glue to stick on **gemstones** within the gold-plated motifs. This is best done with the help of tweezers.
