Difficulty: Beginner 🍴🍴🍴🍴

Working time: 3 Hours

A great craft project - the **sea animals** with the **fluffy pompom centre** are easy to create and thanks to our template easy to copy. Even the little ones can do this and enjoy the finished crab, seahorse or whale after crafting.

## This is how the cute sea creatures are made:

Wind the **pompoms** in different colours with the **pompom maker** and style them at the end with scissors. You will find the exact instructions for creating the pompoms on the product packaging of the pompom maker.

Transfer the **templates** to the **foam rubber** sheets and cut them out. Place the pompoms in the respective holes. Finally, glue on the wiggle eyes.
