Sew mushrooms

Instructions No. 2306

Difficulty: Advanced

Working time: 5 Hours

Mushrooms are simply part of **autumn decoration**. These beautiful natural creatures are easy to sew and a great eye-catcher in your home. Arranged with moss and other autumn materials, you create a beautiful decoration for the table, the dresser or the windowsill.

This is how the pretty decoration is sewn:

All **seam allowances** are 1 cm and are already included in the pattern. All not so thick cotton fabrics, jersey, sweat or fleece fabrics are suitable.

Print out the **patterns** and transfer them to your desired **fabrics**. Then cut out the pattern pieces.

Place the pattern pieces for the **mushroom hat** right sides together, baste them together and topstitch along the outer edge. Leave a turnaround opening. Secure the beginning and end of the seam well with back stitches.

Place the **mushroom foot** right sides together and topstitch along the side seam. Stitch the foot to the bottom all around. Tip: This works best when the bottom is lying smoothly on the sewing machine table and the foot is placed on top.

Turn hat and foot right sides out.

Stuff the hat with **batting** and close the opening by hand.

Put a little **sand** in the foot first for **stability** and then fill it up with cotton wool.

At the foot, pull in a thread by hand about 0.5 cm from the top edge, crimp the top edge and sew the thread tight.

Then hand-stitch the hat to the foot.

Decorate the mushrooms with ribbons and arrange them on the tray together with moss, painted scatter pieces and acorns.

Dear sewer, as fabrics are seasonal goods and we always want to have trendy fabrics in stock for you, it can happen that the sewn fabric is no longer in our range.

In our fabric section you will find a large selection of great fabrics. Click **here** to discover **all the fabrics**.
