Sophisticated lanterns, quickly made

Instructions No. 112

Difficulty: Beginner

Working time: 30 Minutes

The recipe for success of this **pompous one is Lanterns**the filigree slit Vary Vellum paper. size and colour, so you can create individual party lights **with a feel-good atmosphere in no time!** With practical hanger or also ideal as table-Wind light.

Paint one **lantern base** and cover each with Handicraft paint in May green, Pink and Carmine Red.
While the paint is drying, cut the **Lamp foil** and that **Vellum paper** according to the material requirements. Use a sharp pencil to draw the cutting lines at a distance of approx. 1 cm. Leave a margin of 1.5 cm at the upper edge and 2 cm at the lower edge. The cutting lines are best drawn with the help of a metal ruler and scalpel.

The **Lamp foil** stick with **tape-Ribbon** from the inside to the lantern base and lid. On the outside you also stick on tape-Ribbon . Attach the narrow end of the transparent paper to the lid and base at the same time and stick it firmly in place

Article information:

Make sure that the corresponding edge widths are located on the shelves and lids! Assemble all Lanterns in this way and finally glue different gemstones with gemstone glue and fix the lantern brackets. Put in the tea light with Glass for tea lights - done.
