

# T-shirt with napkin

Instructions No. 1618

Difficulty: Beginner 🍴🍴🍴🍴

Working time: 30 Minutes

Embellish your T-shirts or other **clothing and** accessories with the popular **Napkin technique**. Very easy to implement and very decorative.

Cut **out** the desired motifs of **your Napkin** and remove the two unprinted layers of the napkin motifs.

Now you can place your motifs on your garment

This is especially easy if you spray the motifs with temporary spray glue beforehand. So nothing can slip anymore.

Paint over your motifs with Napkin varnish for textiles and your work is ready!
