VBS Craft video painting faces

Instructions No. 2466

Difficulty: Beginner

Do you sometimes find it difficult to draw faces?

That's no longer a problem! In our illustrative video, you will learn how to draw faces very easily. You will be shown step by step how to draw a face on a wooden ball. There's something for everyone - from very simple faces with or without details, faces with closed or large open eyes to faces with lots of colourful details.
