It does not always Red have to be Gold a consistently **black and white Christmas decoration looks** very noble and can be integrated fantastically into many living areas. In the jewellery and scrapbook section you will find a large selection of Selection matching borders, papers and beads, all of which can be combined wonderfully

These glamorous beads speak for themselves. The large MDF letters and the dividers in the are Acrylic balls the perfect basis for designing with glittering scrapbook and sparkling-Paper gemstones. With so many beautiful motifs it is hard to find the right one. Selection

And this is how it works

Paint Handicraft paint the edges of the MDF letters with white and black.
Glue the different papers onto the letters with glue stick and cut off any protruding edges with the tweezer scissors.

Cut the papers to size to fit the cutting discs (apply the circumference with a compass) and glue them on with a glue stick.
Decorate the cutting discs and the letters with ribbons, bows, gemstones, glitter liner etc.
Glue the letters onto the cutting discs with hot glue, place them in one half of a sphere and join them together with the other half.
Stick the design tapes over the seam with tape-Ribbon .
Satin ribbon Hang up the balls with them.
